Conservation  
Restriction 4-09-...

Gentlemen:

In response to the comments I received this morning from the Commission, I have made a couple of changes to the Conservation Restriction, and have forwarded them to Bertolami's attorney for his response. The revisions are all on pages 1, 3 and 4, so we can use the existing signature pages as long as everyone agrees.

A copy of my letter to Mr. Gilman explaining the changes, and a copy of the revisions to pages 1-4 are attached. I understand that Tom is in the process of forwarding the CR on to Don for action by the BOS; Don, if you can use the replacement pages, that would keep things on the right track.

If we have to get things re-executed for any reason, I'll let you know.
